Jim, Judy:

Attached is the State of Ohio v. Pristine Consent Decree from 1991. Please refer to section VIII Reimbursement for the Ohio cost recovery details. There was a \$200,000 limit and that was reached in 2009. Ohio began charging to the MAG grant in 2009 for any hours worked on Pristine. Prior to 2009, Ohio only charged to the grant for work related to five-year reviews.

Please let me know if you have questions.

-Scott

Jim, Here is Scott Glum's e-mail. Scott, Jim (our EPA Attorney for Pristine) was interested in getting a copy of the old contract between Ohio and Pristine, so I am sending your email and contact information to him. Thanks! Judy
